APPLICANT'S INTERVIEW SUMMARY

Dear Sir:

This paper is filed in response to the Interview Summary dated October 16, 2006, the period for response expiring November 16, 2006.

Examiner is thanked for the courtesy of the personal interview held on October 4, 2006, between U.S. Patent and Trademark Office representatives Paul V. Ward and Thurman Page, and Applicant's representative Peter J. Knudsen. During the interview, Claims 1-31 were discussed. An agreement was reached. It was discussed that Applicant will submit an amendment to narrow independent claims, which will include adding a buffer Markush group and a preservative Markush group. Applicant's attorney will determine if Applicant agrees to proposed changes., If Applicant does not agree, Examiner will withdraw the finality of last Office Action and issue a new Office Action based on U.S.C. §112, first paragraph scope of enablement.

Applicant currently intends to file a further written submission addressing issues discussed during the interview.

Respectfully Submitted,
/Peter J. Knudsen/
